# March 2025 News & Notes

Our Spring Program registration is open and ongoing as long as space permits in a program. Spring 1 programs will start March 2nd and our line up includes all of our regular programming with the addition of outdoor tennis and Sportball, knitting club, and new dance and play parented program on Saturday mornings and Spring Break Camps. Register early to ensure you get a spot in the programs you want and always go on the waitlist if they are full. Before registering, please take a moment to review our withdrawal/cancellation policy that can be found on page 10 of the Spring Guide and online prior to completing your enrollment online.

Our March & April Adult Fitness Mash Up classes are all open for registration. Our mash up classes are registered for individually to provide maximum flexibility for our participants. All adult single class cancellations with 48 hours notice will receive a full refund to account. Non-members are welcome to register over the phone or in person. Although we are often able to accommodate same day registrations, we recommend registering at least 48 hours in advance to ensure that there is a space for you and that the program you want has sufficient registration to run.

Looking for something for your child to do for the CBE Break from March 24-28? We are offering two options. A full day Adventure Camp (Puddle of Mud Productions) for ages 6 to 11 years and half day tennis camps for ages 5 to 14 years. See page 12 of our Spring Guide for more information.

Although our full day licensed day camps are full with waitlists, we do have several half day options and a couple full day options that are not licensed (not eligible for childcare subsidy) and still have room including Film in a Box Camp, Taekwondo, Puddle of Mud, Engineering for Kids, Tennis and our Early Explorers camps.

We have something for everyone 3 to 14 years old. Come spend the Summer with us!

**\*Please note that we will only be printing a limited amount of guides to save printing costs and trees. We highly recommend viewing it online.\***
